Obituary.

Thornton Smith, son of T. F. Smith of Talent, died at the home of his parents April 12, 1915, after a three weeks' struggle with complications of pneumonia. He was born in Mound City, Kan., May 23, 1892. With the family he came to Ashland, Ore., in 1900, where he lived until two years ago, when the family moved to Talent. He joined the Methodist church at Ashland in 1908.

Thornton was a boy of clean and noble character of whom no one could speak but good. He became a member of the Talent chapter of the Epworth League a few months previous to his illness, from which he never recovered. The deceased leaves a father and mother, Mr. and Mrs. T. F. Smith, and two brothers, Harold and Forest, of Talent, and one sister, Miss Virginia, of San Jose, Cal.

BE A BOOSTER.

Do you know there's lots of people Settin' round in every town, Growlin' like a broody chicken, Knockin' every good thing down? Don't you be that kind o' cattle, 'Cause they ain't no use on earth; You just be a booster rooster, Crow and boost for all you're worth.

If your town needs boostin' boost 'er, Don't hold back and wait to see If some other feller's willin'—Sail right in—this country's free; No one's got a mortgage on it, It's just yours as much as his.

If your town is shy on boosters, You get in the boostin' biz.

If things just don't seem to suit you, And the world seems kinder wrong, What's the matter with a boostin' Just to help some things along? 'Cause if things should stop again! We'd be in a sorry plight, You just keep that horn blowin'.

Boost 'er up with all your might.

If you know some feller's fallin', Just forget 'em, 'cause you know That same feller's got some good points.

Them's the ones you want to show, 'Cast your loaves out on the waters, They'll come back,' is a saying true.

Mebbe they'll come back buttered, When some feller boosts for you.

Fifty cents invested in a Tidings "For Sale" ad often sells a \$5,000 property. Did you ever try it?

Freckles

Don't Hide Them With a Veil—Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

PLENTY OF PROOF

From People You Know—From Ashland Citizens.

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Ashland, of people who can be seen at any time. Read the following case of it: M. Powell, 263 Oak street, Ashland, Ore., says: "I suffered a great deal from backache. Sometimes it bothered me so badly I could hardly get around. In the morning I was stiff and lame. The kidney secretions were very irregular in passage. As soon as I commenced using Doan's Kidney Pills I felt better and before long I was in good health. I willingly confirm the endorsement I gave Doan's Kidney Pills some years ago. I generally use a box of Doan's Kidney Pills in the spring and fall as a kidney tonic."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Powell had. Foster-Milburn Co., Props., Buffalo, N. Y.

The Tidings is on sale at Poley's drug store, 17 East Main street.
